

Office of Insurance Regulation

MEMORANDUM

DATE: January 31, 2021

TO: **Prepaid Health Clinics** - Financial Statement Contact Person

FROM: Carolyn Morgan, Director
Life & Health Financial Oversight

SUBJECT: 2021 FILING REQUIREMENTS

This package is designed to assist Prepaid Health Clinics in preparing their filings with the Florida Office of Insurance Regulation (Office). This information provides the filing requirements for companies holding a Certificate of Authority. Please be advised that this checklist is provided as a reference document only and is not intended to alter, amend, or replace statutory requirements.

This package has been designed to conform to the format adopted by the NAIC Standard Reporting Formats Working Group. The working group's objective is to move towards uniformity in the states' filing requirements checklists.

Filings shall be made utilizing the 2020 Annual Statement Instructions and Blanks and the 2021 Quarterly Statement Instructions and Blanks adopted by the National Association of Insurance Commissioners (NAIC).

All filings should be made electronically through the Regulatory Electronic Filing System (REFS) via the Industry Portal located at <https://apps8.fldfs.com/refs/Account/Login>. This checklist has been revised to reflect the electronic requirements.

Notable highlights from this year's package include:

- Electronic signatures and electronic notarizations are accepted by the Office. See Notes G and H for additional information.
- See the Notes and Instructions section for the proper filing of the checks for payment of filing fees.
- Changes in Actuary now requires a letter from the actuary addressed to the Prepaid Health Clinic stating whether the actuary agrees with the statements contained in the Prepaid Health Clinic's letter, and if not, stating the reasons for which he does not agree. The Prepaid Health Clinic shall provide both letters to the Office.

INSTRUCTIONS FOR FILING REQUIREMENTS: QUESTIONS & ANSWERS

1. **The checklist indicates that the deadlines for filing statements are within 90 days of the fiscal year ending date, and within 45 days of the quarter-ending date. Do they have to be received by the Office on that due date or postmarked by these dates?**
 - > The REFS filings must be received by the Office no later than 5:00 PM on the applicable due date.
2. **If a filing requirement deadline falls on a weekend or holiday when is the filing due?**
 - > The deadline would be moved to the first business day following the original deadline.
3. **Will companies submitting late statements be fined?**
 - > **Yes.** Furthermore, failure to timely file statements is grounds for suspension of the company's Certificate of Authority.
4. **May I attach my check for the Annual Statement filing fee to my filing?**
 - > Remit Annual Statement filing fees directly to the **Florida Department of Financial Services** in accordance with instructions provided in this guide. Since the filings submitted to the Office will now be done electronically through REFS, a copy of the check and invoice can be scanned and attached through REFS.
5. **Are all PHCs required to file certain documents electronically through REFS?**
 - > Yes, this requirement began with June 2006 quarterly financial statements. When using REFS please go to <https://www.floir.com/iportal> and click on the "Company filing" tab at the top and then the Industry Portal link. Then select Regulatory Electronic Filing System (REFS). The User Guide is available at <https://www.floir.com/siteDocuments/REFSUsersGuide2-0.pdf>. You will find the applicable adobe life cycle forms here.
6. **If the PHC does not have anything to report on a schedule or exhibit of the financial report, should the page be included in the report?**
 - > Yes, the page should be filed with "NONE" written on it.
7. **I have read the entire package but I still have questions regarding financial filings and/or solvency requirements (vs. rate/form or other). How can I reach the financial analyst in charge of my company?**
 - > To reach Life & Health Financial Oversight directly, dial (850) 413-3153. Support Staff will guide you to the individual analyst assigned to your company. The analyst can then give you his/her direct dial number for future reference.
